

FLORIDA ROUND UP 2025 SCHOLARSHIP APPLICATION

Deadline: May 5, 2025

Scholarship recipients are welcome to attend all speaker meetings, workshops, and entertainment events. In return, we ask recipients to volunteer at least four hours of service during the event. Please note that ticketed events (such as meals and drag bingo) and hotel-related expenses (rooms, valet parking, etc.) are not covered by the scholarship.

Scholarships are available to those in need, with priority given to newcomers. However, scholarships are limited by conference space capacity, and availability may be affected by registration turnout. If you received a scholarship in 2024, you will be considered after new applicants for 2025, allowing others the chance to experience the event.
